## Communication

We mostly use “Messenger” for onsite communication. Contact Kathy if you would like to be added (you will need the Messenger APP, Facebook account not required).

We will also relay any updates at the course. If you aren't golfing and not on Messenger, please touch base with someone you know on the trip who is.

# Golf

Nicole (NK Bear) is your Golf Coordinator and Starter.

## Tee Times / Groupings:

**Scramble** - see "[Scramble](#)" link above for your groupings and tee times.

**Scoring:** In teams of two, everyone hits every shot and you keep using the best shot until the ball is in the hole. Please leave your scorecards at the pro shop.

**Closest to the Pin:** three par 3s - write your name and place the marker at your ball location. If your ball is in front of the flag, place the marker at the back of the flag (same distance) to keep the front clear for a hole in one.

**Slammers** - see "[Slammer Tour](#)" link above - enter your challenges until 8pm PEI Time, the night before. Note: Tee times for Slammers may change due to challenges. A letter appears beside those who are locked in together. The Event on July 30th will close at 10pm on Saturday July 27.

**Skins and Dogs:** \$5 each and are optional. A skin is the lowest (sole) score on a hole. A dog is closest to the pin on all par 3s (you must par or better the hole and putt it out, no gimmies). Leave a golf ball (with your name on it) on a tee at your ball location. If it's in front of the flag, place it at the back of the flag (same distance) to keep the front clear for a hole in one.

You can pre-pay your skins and dogs by e-transfer to [nkbear66@gmail.com](mailto:nkbear66@gmail.com) or you can pay on site. A reimbursement will be made for any missed golf days.

**Skin and Doggie Master:** if you want to volunteer, send Nicole an email (same as above). Do not volunteer on the website.

**Hole in 1:** \$10 (optional) - If someone gets a Hole in 1 they win the pot. If there is no winner, there will be 50/50 draws. 50% for the kids' charities and 50% for the winner.

**Scoring:** one person on each team must enter scores in our scoring APP at:

<https://new.slammertour.com/Schedule/schedule.php>

- **Log in** (top right corner).
- Select corresponding event (right hand side).
- Right hand side "**Event Information**", at the bottom "**Live scoring link**", select corresponding event (All of your registered events populate)
- You can only access your 4some the day of the event (you will have to log in again)

Formats/rules will be re-explained on the first tee. If you can't make a golf day, please **inform Nicole ASAP** so necessary adjustments can be made.

**Safety:** be mindful of others' positions when hitting. If you have a blind shot, be absolutely sure all is clear before you hit.

**Be on Time:** golf courses operate on very strict tee times so you should be at the course at least 20-minutes before your tee time, and on your tee box 10-minutes prior to your posted tee time. Please see Nicole upon your arrival.
